JULY 14, 2012 MOXIE FESTIVAL PARADE RULES AND INSTRUCTIONS

PARADE REGISTRATION, CHECK-IN, LINE-UP AND START

No entrants will be admitted to participate without registration by the deadline date of June 1, 2012. Registering on the day of the event will not be permitted.

On Saturday, July 14, 2012, **the parade will start promptly at 10:00 a.m.**

Check-in for registered parade entries will begin at 8:00 a.m. in the parking lot behind Lisbon High School. Please note the check-in time and location. The check-in location has been changed to facilitate a more efficient parade start. You will receive your parade number, line up directions and any additional instructions at check-in. From there, you will proceed to Capital Avenue to line up for the parade.

After check-in at Lisbon High School, you can stage your float on Capital Avenue. You must be lined up at Capital Avenue no later than 9:15 a.m. It is important that you line-up where instructed and stay over to the side of the road behind the vehicles already lined up. Once the parade begins, don't get out of line unless you have mechanical problems. Follow the float/marchers in front of you. At all times, keep a safe distance between your float and the vehicle/participants in front of you.

Parade units with several members are encouraged to carpool as much as possible. This will create less traffic in the vicinity of the parade staging area and speed up the entrant check-in process.

FLOAT CONTENT

All floats must be family oriented. The Moxie Festival Committee reserves the right to reject the registration and/or check-in of any float with a theme that the Committee deems unsuitable for a family event.

Your float will be judged for one of the prizes prior to the start of parade. To be judged, you must have all your participants on your float and ready when the judges make their rounds. Judging begins promptly at **9:15 a.m.** They will make two judging rounds if time permits and if necessary.

FLOAT SAFETY

The size of your float should be **within the legal road limit** and no wider than the width of one travel lane of the street. The float should be part of or attached to a vehicle that can pull the float the full length of the parade route. If the vehicle is decorated, be sure the windshield and side windows are completely unobstructed. **The driver must have a clear, unobstructed vision at all times.** All decorations on the floats must be secure enough to withstand travel on Rte. 196. If the vehicle that is pulling or is attached to the float begins to experience mechanical problems, please pull over to the nearest parking lot so that the rest of the parade may continue.

Floats with children on them must have **RESPONSIBLE ADULTS** nearby to supervise the children for safety reasons. **It is strongly recommended that designated adults walk alongside the float while the parade is in progress.**

No candy or other objects are to be thrown from the floats. Walkers along side of the floats are permitted to hand out candy to the parade watchers.

No water guns of any kind and no silly string allowed. Violations of these rules may result your organization's float will not be allowed to participate the following year.

No paper flyers of any kind may be handed out during the parade.
